ABOUT VAPORSUN

VaporSun

HongKong VaporSun Co., Ltd.

We are powerful e-cig manufacturer in China.

We have our own factory. Our brands are VaporSun, Puffgogo and Yamibar. VaporSun was established in 2015, specializing in the R&D of disposable vapes and open system pods, focusing on OEM/ODM. Our main products are private models, to assure your products are unique and more competitive.

We are honored to provide services for many top brands all over the world in many countries, and have great reputation.

We have obtained the license and ISO9001 quality certification and ISO14000 environmental certification. More than 1000 employees guarantee fast delivery time and strict quality control. Assisting our partners grow and succeed is our mission.

Looking forward to cooperating with you to create brilliance together.
